FROM THE PRINCIPAL'S DESK

Annual report, 2017-18 made by the IQAC is truly reflective of vision and mission of the founders of the college in extending higher education at the door steps of the rural folk. In tune with this objective we prayed to the Department of Higher Education, Govt of West Bengal for financial assistance. We received a modest grant of Rs.1.5 crore from the department and spent it in new Annex building so that more departments, class rooms, laboratory, new office space, Library could be built up. The CBCS was introduced from 2017-18 by the University of Burdwan for which we needed more space and infrastructure. I do hope with all these opportunities created our students will perform better in near future.
