10. Extra curricular activities including sports and cultural activities.
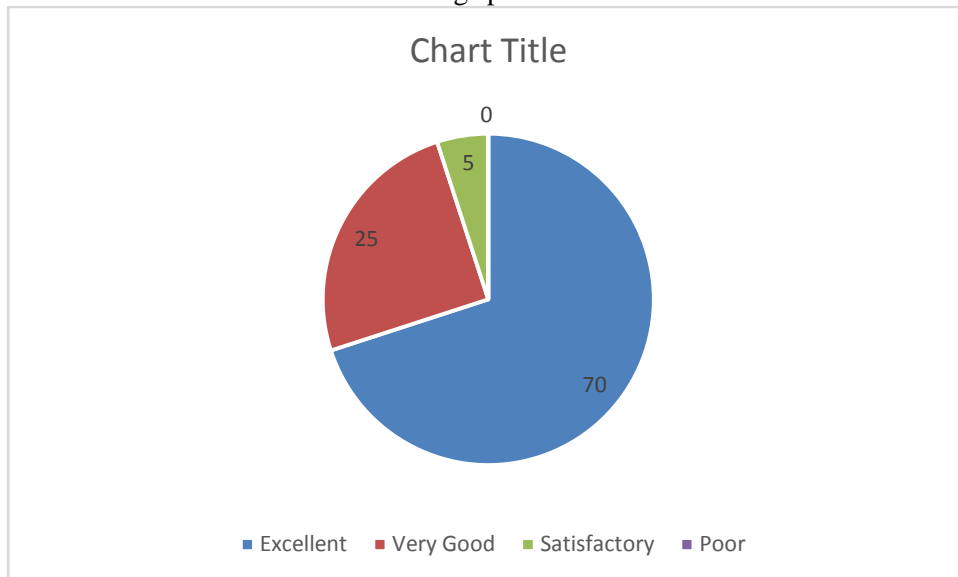

The above diagrams reveal that almost all the teachers agreed that the institution provides adequate infrastructure for teaching- learning purpose. Some of them want a few more ICT enabled class rooms.

Hence after analyzing the responses from teachers, the IQAC have framed the report. The feedback report was submitted in a meeting called by IQAC coordinator of the college. A discussion was held regarding the feedback responses of the teachers.   On the basis of feedback received from teachers it was unanimously decided that the some more ICT enabled class rooms will be created in future.
