## Notice

All Students who joined subject-wise whatsapp groups created by our teachers are directed not to Share information to outsiders. They are also directed not to Share anything which goes against the spirit of online classes. If someone is found to share anything outside the domain of teaching will be punished by the college authority. The posting of unauthority link is also strictly prohibited. He/She may be called along with their guardians to college for the purpose of disciplinary action against the indisciplined students.
