## Notice for Requirement of Valid PUC Certificate for Vehicle Entry at Mankar College

This is to inform that a new requirement regarding vehicle entry into the college premises, is effective immediately. In line with our commitment to promoting environmental sustainability and ensuring the well-being of our community members, Mankar College green audit committee is now enforcing the mandatory presentation of a valid **Pollution Under Control (PUC) certificate** for all vehicles entering the college premises.

Therefore, we kindly request all stakeholders, including students, faculty, staff, and visitors, to ensure that they **carry a valid PUC certificate** for their vehicles and **submit a xerox copy to Raju Ghosh** (security personnel) whenever they intend to enter the college premises. Our security personnel will be conducting checks at the entry points to verify compliance with this requirement. Vehicles lacking a valid PUC certificate may be denied entry until the necessary documentation is provided.
